JUDGMENT

Koshy, J.

This is a petition for police protection. In a petition under Article 226 of the Constitution of India, we cannot decide who are the actual office bearers of a society or the inter-se dispute between the office bearers. The parties have to approach the appropriate forum for deciding such disputes. However, without prejudice to the right of the parties in approaching the appropriate forum, the police is directed to see that law and order is maintained.

The writ petition is disposed of with the above observations.
